General Information

Description

Training program for advancing aspirants seeking to gain personal and professional competence in clergy work in the field of Shetaut Neter Spirituality. The coursework will be accomplished in an “on Demand” format instead of a “scheduled” format.

Expectations and Goals –work on assignments monthly as scheduled

To promote personal and professional competency in the wisdom and practice of Shetaut Neter spirituality;
developing basic proficiency in clergy wisdom for personal spiritual practice and psycho-spiritual self-sustainability;
developing basic tools for spiritual counseling;
developing basic tools for personal and public ritual performance;
developing basic tools for

Extended Objectives & Discussions

How to understand and live the Hemu wisdom
How to organize and conduct rituals-starting with standard ritual setup – then evaluating in class meetings ---new setups based on standard
How to understand basic approaches to spiritual counseling individually and with groups- Personality types clearing before after detachment-normal vs abnormal religious experiences
How to evaluate practices and new introductions --decide whether a philosophical formulation is or is not within the confines of Shetaut Neter evaluate against standard of initiatic narrative
How to organize congregation, chain of command, and handle wayward elements
How to organize ongoing classes and programs
